Dear Colleagues and Friends,

We are delighted to announce that the Serbian Neurosurgical Society will host the 10th SNSS Annual Meeting, with international participation, dedicated to pediatric neurosurgery, from October 30 to November 3, 2024.

Continuing our tradition, the Nursing Symposium will take place on November 2, 2024. This symposium provides an excellent platform for showcasing nursing excellence, sharing practical insights, fostering new connections, and promoting collaboration.

Alongside the academic program, we have curated a diverse social agenda. We warmly invite you to actively engage by presenting your work through oral presentations or participating as observers.

We look forward to your participation and contributions to this important event.

Welcome to Belgrade!
